

## School Updates:

### Calling all CSCA Families!!!

On January 26, 2023, at 5:30pm CSCA will be hosting a SWOT analysis in the auditorium. What is a SWOT analysis you ask? SWOT stands for Strengths of CSCA, Weaknesses, Opportunities, and Threats to CSCA. How will this analysis be accomplished? There will be 4 white boards to write down your thoughts. No speaking, no discussion, you do not have to sign your name or anything. John Brenda from CSI will be conducting this event. This is your opportunity as parents to share what you enjoy about CSCA and let us know what areas need work. Please take the time to help us in continuing excellence at CSCA and giving our students and community the best possible future!

### Reminders:

- Many of you have heard of our EPIC store for the students and how much they love going to buy fun things with their EPIC slips. We are in need of donations for these prizes, if you are able to bring in anything please drop them off at either front desk and let them know it is for the EPIC store (fidget toys, art/school supplies, party favor type toys, or anything else you can think of). We do have separate stores for k-5 and 6-8 so age appropriate prizes will be used in the store they are most appropriate for.
  - If you are new or have not yet filled out the form for D-11 free lunch please do so! Even if you do not use the lunch program or know you will not qualify for
-

free/reduced lunch, it is important for funding that as many families as possible fill out this form!

- Don't forget, we have recycling bins in both lobbies for ink/toner cartridges! Open to families and staff to use.
- [New athletics fundraiser!](#) We are hoping to get new uniforms for all of our teams and other supplies if we raise enough.
