

Important Information:

- **You may NO longer pick up students (in the hug and go lane) after 2:45, past that time interferes with driveline and has been causing back ups. If you need to come after 2:45 but before school gets out, you will need to park in the parking lot and walk up. Thank you for your understanding.**
 - If you know your student will be missing more than one consecutive day in a row for a vacation or being out of town, you need to fill out an EAR form at least 2 weeks before you will be gone. You can get one at the front desk or online at our home page under the parents tab.
