

School Updates:

Reminder,

Today started the strict enforcement of our attendance policy! This means that students will be considered late and need to be signed in after 7:55 am, as stated in the handbook. All students will still need to be signed in by a guardian no matter what.

Please see [the policy](#) that is in our student/parent handbook and was signed by all of our families at the beginning of the school year for more details.

Zoe Ann Holmes
